

Recommendation

We would like to recommend Mr Mirosław Dąbrowski, as an experienced Agile Coach experienced in broad range of agile methods. His support helped us in optimizing software development process by applying Scrum and Management 3.0 practices. Range of his work covered services such as:

- Executives Agile Coaching,
- Coaching developers and testers from Scrum and Agile philosophy,
- Coaching newly hired employees from Scrum,
- Tailoring and embedding Management 3.0 techniques into company culture,
- Optimising the Agile processes for software development lifecycle,
- Adapting and tailoring the project management and communication tools to reflect the company clients individual needs.

Mr Mirosław Dąbrowski has shown deep experience in implementing and shaping Agile practices to company needs. His professionalism and rich practical experience as well as a broad knowledge of the agile methodologies.

We are more than happy to recommend Mr Dąbrowski as a tested, trusted and highly valuable business partner for anyone seeking the best possible Agile Coaching services.
