Statement of Partnership

To whom it may concern,

OBASHI Limited is pleased to announce a partnership with international trainer, agile coach, consultant, founding member and leader of OBASHI Ambassador Programme - Miroslaw Dąbrowski.

Under the partnership, Miroslaw Dąbrowski will offer training and consultancy in The OBASHI Methodology, to enhance his existing services such as PRINCE2, MSP, MoP, P3O, M_o_R, MoV, ITIL, AgilePM, AgilePgM, DSDM, TOGAF, COBIT, ASL, BiSL and others.

His focus on quality and value-oriented approach will deliver customers high quality professional training, rich in his practical experience. Miroslaw has developed unique techniques in using the OBASHI Methodology. His custom designed course training materials clearly provides insight and deep understanding of WHY and HOW to use OBASHI. As CEO of OBASHI Ltd. and co-creator of the OBASHI methodology, I am pleased to highly recommend his working practices.

I see Miroslaw as a strategic, long-term business associate of OBASHI, devoted not only to training, but also contributing towards shaping further versions of OBASHI and extending OBASHI market space.

This partnership will help OBASHI maximize the benefits and value in promoting its methodology in line with its expansion plans in Europe and across the globe. This cooperation will deliver us, and customers of OBASHI, new opportunities to show how you and your company can maximize the benefits and value of using OBASHI.

Fergus Cloughley, CEO of OBASHI Ltd.
