We would like to sincerely recommend working with Mr Miroslaw Dąbrowski, an extremely experienced Agile coach specialising in agile methodologies. We have reached out to him and used his services aiming to improve the efficiency of our Agile processes by introducing a dedicated solution for Macroscope.

Mr Dąbrowski's help included:

- Macroscope C-level executives coaching,
- Coaching Macroscope clients on Agile, Scrum and DSDM,
- Coaching four development teams (including UX/UI designers),
- Coaching the Scrum Masters,
- Coaching newly hired employees from Scrum and DSDM,
- Working as a Product Owner / Business Ambassador on a new project,
- Optimisation of the Agile processes (including the integration of Dev and UX teams),
- Adapting and tailoring the Jira tool to reflect the working needs as per Scrum and DSDM.

Mr Dąbrowski has shown a great dose of professionalism, a high level of commitment and responsibility as well as a broad knowledge of the agile methodologies. The work conducted was done diligently along with passing on the "know how" to our firm's employees.

Taking into consideration all of the above mentioned facts we are more than happy to wholeheartedly recommend working with Mr Miroslaw Dąbrowski as a solid and highly qualified Agile Coach, who is a specialist in his field of change driven methodologies.
