

# Recommendation Letter

## To whom it may concern

We would like to recommend Mr Miroslaw Dąbrowski, as an experienced Agile Coach, Scrum Master and Trainer from field of Agile methodologies. His accredited training from PRINCE2 Agile helped us in understanding recommendations and guidelines on how to combine classic PRINCE2 with Agile mindset and principles.

Miroslaw has a vast background in transitioning organizations towards agility both in private and public sector. He has embedded Agile, Lean and DevOps principles in many corporate organizations and start-ups and implemented such methodologies like Scrum, DSDM, DAD, SAFe and PRINCE2 Agile. During the training he shared his Agile experience, gave us tips, recommendations and shared his resources which he is using during his agile transformation process. Both his engagement, proactive approach, style of learning and practical experience as an Agile Coach gave us a lot of insights on how we can adopt and adapt Agile into our tailored classic PRINCE2 project management method.

Trainer's proactive approach, style of delivery and practical experience resulted in very high success factor after the training. We are pleased to recommend Mr. Dąbrowski as an experienced trainer and exceptional Agile Expert. He is an individual capable of transferring knowledge and know how in a way that exceed our objectives.

Best Regards,
